Excessive Force Claim

(Type of Pleading)

Eighth Amendment

On 10-2-16 I was housed at J.C.C.F P.O. Box 279  
Clifton, TN 38425 Unit Skylab S/co Tafner came to my  
Door and tell me to pack up I was moving to  
another cell. I ask her where? she said it  
doesn't matter pack up. So a hour or so later S/co  
Martinez and C/o Frio come to my door and tell  
me come on. So I'm thinking I'm going to  
another cell in Skylab cause I've bee housed  
in Seg for 6 months due to incompatibles on  
the compound. So as I'm coming out I ask  
the co's where I'm going they tell me Gemini  
A pod on the compound. I tell them no I'm not  
yall know I got incompatibles on the compound  
and I got a right to personal safety under  
due process and The Eight Amendment.

I hear S/co Martinez and C/O Froio talking sayin he been back here months he gone get his punk ass out of here now come on you moving. So I end up in a physical altercation with <sup>C/O</sup> Martinez and <sup>C/O</sup> Froio they make me and I lay on the ground and let them handcuff me to the back. As I'm on the ground in handcuffs S/co Martinez is spraying me constantly while saying you black mother fucker I'm in compliance I'm not resisting so by now back up officers come Lt. Ward and S/co Trafner come and I'm laying on the floor in Skylab C-pod in compliance for about 3 to 5 minutes. Then they get me up and walk me out the pod took me in the core area ran my face and head into the wall then took me in a small room in Skylab core area while still in restraints handcuffs to the back I hear them say now his turn. 3 They start repeatedly beating my face and head against the wall. Pulling my hair bending my arms, throwing me from the floor to the ground, while kicking and punching me repeatedly I'm a bloody mess by now. So I hear the nurse come in and say hey get him to medical! So I open my eyes to see who all it was I see Lt Ward, Captain Inman, S/co Trafner, Co Bowers, and C/O Froio. I go to the clinic and the nurses say my wound were to serve for
